# WATER

# The Stay Pastoral merges Turkey's first luxury tent hotel with an onsite farm-to-table gastronomic experience all hosted on 250 decar of illustrious landscape.

We create a circular terraneous experience by revitalizing the old fields and vineyards while protecting the healing endemic species of the valley.

A woman with long brown hair tied in a bun, wearing a strapless top and light-colored pants, is holding a large wicker basket filled with oranges. She is standing in a field of green bushes and dry grass, looking back over her shoulder. The text "THE TASTE" is overlaid in white serif font.

# THE TASTE

Pastoral Collection is the manifestation of all things natural. Sustainably produced cotton, breathable textile, natural textures, leisurely yet thoughtful cuts. Stay-line takes its inspiration from the soil, the sea, the sand and the roots.
